Access Copyright has an exciting opportunity to join our team as Head of Business Development.

Purpose of Position: The Head of Business Development will oversee the licensing revenues of Access Copyright, including developing & executing sales strategy, strategic partnerships, marketing initiatives, communications, and business ventures.

A bit about us: For over 30 years, Access Copyright has facilitated content use for educational and professional purposes. Access Copyright has helped people make customized use of published materials combined with an assurance that the original creators and publishers also benefit, so that they can continue creating new and innovative works. This is vitally important to a strong Canadian culture and to all who rely on quality publications.

Why this could be the next best step in your career: The role is a dynamic combination of on-the-ground selling and strategic planning. You will have the opportunity to lead in the identification and development of new products & services, explore new markets and mentor your team.

You will get to:

- Plan and oversee all activities necessary to sustain and expand:
 - Licensing revenues
 - Outreach and communications with customers
 - Develop & implement new service offerings to support existing licensing activities
 - Identify & implement new business opportunities/ventures
 - Brand recognition
- Build and execute strategic sales plans.
- Create and launch new strategies and partnerships, putting in place and using evaluation criteria to measure success of new ventures.
- Understand and become expert in all aspects of educational, corporate and copyshop licensing, including transactional service requirements.
- Oversee the creation and implementation of new business projects from start to finish.
- Build and maintain strong relationships with key accounts to advise and create an understanding of the available opportunities.
- Keep current on industry trends and developments and provide information and recommendations about potential new opportunities.
- Manage a sales team of one sales representative.
- Attend networking events and sales conferences.
- Ensure Access Copyright's CRM system is optimized, and data is current & accurate.

The best candidates will have:

Education

- University degree

Experience

- 5+ years of experience in the publishing and/or corporate sector.
- 2+ years sales management experience.

Knowledge

- Experience creating and leading the sales process for an organization.
- Cultivating new customer relationships and strengthening current ones.
- Prospecting, negotiation, and presentation skills.
- Managing a sales pipeline.
- Aptitude for problem-solving and implementing solutions for customers.
- Self-directed, ability to deal with ambiguity.
- Computer skills (Microsoft Office, CRM, video conference tools)

It would also be terrific if you had:

- K – 12 sector, post-secondary sector, publishing and/or other business experience
- Project management experience
